

IO BEATS DAO — CONSTITUTION & BYLAWS v1.0

Official DAO Document · © 2025 IO Beats DAO
Audited by Cyberscope · Powered by Safe · Sablier · Snapshot · TaskOn

1. Preamble

IO Beats DAO is the decentralized governance foundation of the IO Beats ecosystem, empowering artists, holders, and builders to co-create the next generation of decentralized music finance.

2. Mission & Values

Our mission is to democratize access to the music economy through decentralized ownership, transparent governance, and equitable rewards. Core principles: Transparency, Fairness, Security, Creativity, and Sustainability.

3. DAO Structure

IO Beats DAO operates as a multi-chain organization segmented into Main DAO (Ethereum), Treasury DAO (Base), Creator DAO (Polygon), and Expansion DAOs (BNB & Arbitrum). Each is supervised by the 4-of-7 Multisig Council.

4. Membership & Participation

Governance access via Pro, Elite, or Genesis NFT packages. Each NFT tier represents a DAO identity. Members may vote, propose, or delegate based on IOB holdings.

5. Governance Parameters

Quorum: 25M IOB | Proposal Threshold: 2.5M IOB | Voting Delay: 1h | Voting Period: 48h | Approval Ratio: 51% FOR | Vote Cap: 3M IOB | Voter Reward: 0.5%.

6. Governance Cycle

Proposal creation → Discussion (24h) → Voting (48h) → Execution (4/7 multisig) → Verification via Dune dashboard.

7. Roles & Responsibilities

Founding Council executes DAO votes; Advisory Board oversees; Contributors are compensated via Sablier; Holders provide governance legitimacy.

8. Treasury & Transparency

All funds held in verified multisigs: ETH, BASE, BNB, POLYGON, ARBITRUM. Quarterly Treasury Reports published via Dune and GitHub.

9. Emergency & Security Clause

In case of exploit: 72h pause → emergency proposal → 60% FOR vote to resume → full disclosure publicly.

10. Amendments & Upgrades

Changes require $\geq 51\%$ FOR, quorum $\geq 25M$ IOB, and GitHub publication under `/governance/docs/constitution_vX.X.md`.

11. Legal Disclosure

Participation grants governance rights only; no equity. Tokens are utility-based. DAO operates under IO Beats Foundation with Cyberscope audits.

12. Changelog
